Dear Mr. Kelley,

Under agreement with the City of Arlington, Snohomish County has completed routine inspections for the following two city bridges:

No significant changes were found during the inspections, however there may be some repair and maintenance issues that the city needs to address. Please see the attached reports for more information.

If you have any questions, please contact John Heighway, Lead Bridge Inspector at (425) 388-3195 John.Heighway@snoco.org, or me at (425) 388-6688 Darrell.Ash@co.snohomish.wa.us.
