If the base bid and the sum of additive alternatives is one million dollars (\$1,000,000) or more, the bidder shall provide the names of the subcontractors with whom the bidder will directly subcontract for the performance of 1) heating, ventilation, and air conditioning (HVAC), 2) plumbing, and 3) electrical work. If the bidder intends to perform the work, the bidder must enter its name for that category of work.

The bidder shall not list more than one subcontractor for each category of work identified unless subcontractors vary with bid alternates, in which case the bidder must indicate which subcontractor will be used for which alternate.

Failure by the bidder to submit the names of such subcontractors or to name itself to perform such work shall render the bidder's bid non-responsive and void.
